UA Cossatot seeks to provide learning opportunities for a variety of age groups. However, unless stated otherwise, students under the age of 18 will need prior approval from Continuing Education Services to register.

An admission advisor provides admission status updates as applicable. Applicants approved for admission may finalize enrollment in a course section with payment of tuition. Class sizes are limited and filled on a first-come first-serve basis. Early enrollment is encouraged to best ensure acceptance into the program.

### **Technical Requirements & Course Materials**

This course, ideal for Spanish speaking students, maximizes skill development for the delivery of health care in diverse settings. Lecture is delivered in Spanish by a bilingual instructor and supported by classroom materials in English, readying students for national certification testing administered in English. Content is provided in partnership with Condensed Curriculum International.

Students will also need to bring a pen/pencil and paper to all sessions.

### **Attendance Policy**

The Clinical Medical Assistant Program is a fast-paced intensive program with stringent attendance requirements. The 140 hours of instruction must be completed in its entirety to successfully complete the program. Students are expected to arrive promptly and be present for each class. Any class session or activity missed whole or in part, regardless of cause, reduces the opportunity for learning and may adversely affect a student's ability to meet the learning outcomes required to receive a Certificate of Completion. Persons with life or health conditions that may hinder attendance may wish to delay application for admission until a strong commitment to attendance can be made.

If an emergency arises, students must contact their instructor as early as possible prior to the start of class to best ensure arrangements can be made to make-up missed instruction time. Make-up sessions are subject to the availability of an instructor and are not guaranteed; therefore, students who are late or miss class for any reason are not guaranteed they will be able to make up missed instruction time or successfully complete the course. Students that are absent from two (2) or more sessions, without scheduling and /or attending make-up sessions, may be subject to expulsion from the program.

If provision for supplemental training is requested and/or required in order to meet course requirements, the student shall be responsible for the costs incurred including payment of a classroom instructor hired by Continuing Education Services.

In some cases, supplemental instruction experience may only be available at a site distant from the student's home campus. Students are responsible for their own transportation and other associated costs should they accept these arrangements.

### **Class Participation**

Students are required to participate in 140 hours of instruction.

### **Dress Requirements/Student Conduct**

Students are preparing for professional careers; therefore, each student is expected to dress and groom themselves in accordance with accepted social and business standards. The following dress and grooming guidelines are applicable to all in-person sessions:

- Heavy perfume or other potentially offensive odors are not acceptable.
- Students are not to come to class smelling of cigarettes; breath should be fresh after coming in from break.
- Hair should be clean and pulled back if long.
- Professional business attire should be worn during the pinning ceremony.

Failure to observe the dress code and/or failure to comply with other program guidelines will result in termination from the program.

*Note: Students have access to the college's course catalog and handbook at [www.cccua.edu/catalog](http://www.cccua.edu/catalog). It is the responsibility of the student to carefully read the publication and be aware of the rules, regulations, etc.*

### **Requirements for Successful Completion**

- (1) Attend required training sessions
- (2) Complete all required quizzes and assignments
- (3) Demonstrate safe practice
- (4) Comply with program guidelines
- (5) Achieve a passing grade of 76% or greater

National certification exam is available at an additional cost for students who successfully complete this course, including the National Workforce Center Association (NWCA).

### **Inclement Weather**

In the event that the area weather is so severe the College feels that life and property may be in danger, classes may be cancelled until weather and road conditions improve. We strive to distribute announcements regarding closures to our students, faculty, and staff in a timely fashion.

Announcements regarding College closings will be made through College social media accounts and over the following radio stations: in De Queen KDQN 92.1 and KTYC 88.5 and in Nashville KMTB 99.5 and KBPU 88.7.

### **Refund Policy**

Tuition is fully refundable up to the "register by" date. Our goal is to ensure the greatest opportunity for participation in courses; however, late registration cannot be guaranteed and is non-refundable. A full refund of tuition will be issued automatically, and registrants will be notified,

if a class is cancelled by UA Cossatot due to insufficient enrollment or other unforeseeable reason prior to the start of the course. UA Cossatot reserves the right to reschedule, cancel, and appoint an alternate instructor for all classes.

It was and will not be possible for the College to foresee, plan for, or mitigate all the consequences unforeseeable circumstances may have or cause. Should an unforeseeable event impact training, when feasible, training events and services are not cancelled but rescheduled as soon as practical. In the event a course is cancelled after it has started, tuition is prorated excluding nonreturnable books, supplies, and equipment. The rate is computed by dividing the total hours of scheduled training and services divided by the percentage of hours not rendered.

**General Information**

UA Cossatot continues to monitor the prevailing health conditions for our local area. Faculty, staff, students, and visitors will be required to wear face coverings while in campus facilities when prevailing local health conditions warrant it.
