

ADDITIONAL TUITION SCHOLARSHIPS

VISITORS' TUITION SCHOLARSHIPS

The Board awards one scholarship to each graduating class of each high school in the service area, with an exception based on size of the districts of De Queen, Ashdown, and Nashville high schools where two scholarships are awarded. The recipients are selected by the UA Cossatot Scholarship Committee with procedures determined by the Chancellor. Each scholarship is for one semester, renewable for a second semester provided the student is not on academic probation.

In addition, the Board awards one GED scholarship to a GED graduate earning their certificate within the prior twelve (12) months. The procedures and criteria follow the same guidelines as stipulated in the above paragraph.

SPECIAL TUITION SCHOLARSHIPS

The Board may determine as many as five scholarships to be awarded to a focus group of students whom the College wishes to attract to its programs. The procedure for this scholarship program is to be determined by the Chancellor.

If a student is receiving financial aid that is tuition specific, the college reduces or cancels UA Cossatot's waiver.
