UA Cossatot seeks to provide learning opportunities for a variety of age groups. Course Materials

Students will need to bring a pen/pencil and paper to all sessions.

Attendance Policy

The Pharmacy Technician Program is a fast-paced intensive program with stringent attendance requirements. The 50 hours of instruction must be completed in its entirety to successfully the program. Students are expected to arrive promptly and be present for each class. Any class session or activity missed whole or in part, regardless of cause, reduces the opportunity for learning and may adversely affect a student's ability to meet the learning outcomes required to receive a Certificate of Completion. Persons with life or health conditions that may hinder attendance may wish to delay application for admission until a strong commitment to attendance can be made.

If an emergency arises, students must contact their instructor as early as possible prior to the start of class to best ensure arrangements can be made to make-up missed instruction time. Make-up sessions are subject to the availability of an instructor and are not guaranteed; therefore, students who are late or miss class for any reason are not guaranteed they will be able to make up missed instruction time or successfully complete the course. Students may be subject to expulsion from the program due to lack of attendance at the point that a student has missed 25% of the class or 12½ clock hours.

If provision for supplemental training is requested and/or required to meet course requirements, the student shall be responsible for the costs incurred including payment of a classroom instructor hired by Continuing Education Services.

In some cases, a supplemental instruction experience may only be available at a site distant from the student's home campus. Students are responsible for their own transportation and other associated costs should they accept these arrangements.

Dress Requirements

Students are preparing for professional careers; therefore, each student is expected to dress and groom themselves in accordance with accepted social and business standards. The following dress and grooming guidelines are applicable to all in-person sessions:

- Heavy perfume or other potentially offensive odors are not acceptable.
- Students are not to come to class smelling of cigarettes; breath should be fresh after coming in from break.
- Hair should be clean and pulled back if long.
- Professional business attire should be worn during the graduation ceremony.

Failure to observe the dress code and/or failure to comply with other program guidelines will result in termination from the program.

Announcements regarding College closings will be made through college social media accounts and over the following radio stations: in De Queen KDQN 92.1 and KTYC 88.5 and in Nashville KMTB 99.5 and KBPU 88.7. Online or web-enhanced classes will continue as scheduled at the discretion of the faculty member.

Refund Policy

Tuition is fully refundable up to the "register by" date. Our goal is to ensure the greatest opportunity for participation in courses; however, late registration cannot be guaranteed and is non-refundable. A full refund of tuition will be issued automatically, and registrants will be notified, if a class is cancelled by UA Cossatot due to insufficient enrollment or other unforeseeable reason prior to the start of the course. UA Cossatot reserves the right to reschedule, cancel, and appoint an alternate instructor for all classes.

It was and will not be possible for the College to foresee, plan for, or mitigate all the consequences unforeseeable circumstances may have or cause. Should an unforeseeable event impact training, when feasible, training events and services are not cancelled but rescheduled as soon as practical. In the event a course is cancelled after it has started, tuition is prorated excluding nonreturnable books, supplies and equipment.
