quality improvement measures.			as well as uploaded to the ADMIN page of BB.		
Practicum I,II and III meet all 4 of the program outcomes	Grades benchmark at a 78 or higher to pass across the consortium	Assessment tools include daily sheets, concept maps and a Comprehensive Assessment Profile.	CCCUA Practicum Grade Ave is: Practicum I 95.1038 Practicum II 98.3109 Practicum III 97.304		

Notes: **This year the Custom groups in ATI were not set up for individual school performance, it will be kept moving forward.

Proposed Program Revisions	Implemented Revisions				
Description of Each Program Revision	Rationale for Revision(s)	Implement a-tion Date	Did learning outcomes change? If so, state the new outcome(s) and were these changes approved by the Assessment Committee? Provide date of approval.*	Was curriculum significantly altered? If so, what was altered and was approval obtained from the Curriculum Committee? Provide date of approval.*	Plans for assessing effectiveness of revisions
Addition of requiring ATI Practice B exams over content that is used for benchmarks, to be completed in class in a proctored setting	To encourage students to practice before the benchmark, although encouraged to do them, few seldom do.	January 2018	no	no	Comparing trends in Proctored exams over the next several years to see if there is any significant improvement
Addition of the ATI Critical Thinking	To see if there is any improvement on the critical	January 2018	no	no	Even though not for a grade to encourage them to do their best so we can identify any areas of

Entrance and Exit Exam	thinking of the nursing students comparing the entrance exam in first semester to the exit exam in third.				specific weakness we need to target for improvement.
Addition of Custom groups for each institution in ATI	To allow consortium members to see performance of their students.	January 2018	no	no	This will help with seeing data generated by school instead of just by the consortium.

**Attach documentation of any approvals obtained from Academic Committees.*
