PROGRAM INFORMATION: This program is designed for students to earn the Technical Certificate after semester two and the Associate of Science after semester four. Some courses have minimum score and/or prerequisite requirements prior to enrollment.

CAREER OPTIONS: The Technical Certificate in Agriculture, which is embedded into the Associate of Science in Agriculture Education or the Associate of General Studies degree, prepares students for entry level work in the field of agriculture with emphasis placed on owning and operating your own farm/ranch operation. The Associate of Science degree prepares students to transfer to a four-year university to complete a Baccalaureate degree.

TRANSFER OPTIONS:

- University of Arkansas Fayetteville: Agriculture Education to Bachelor of Science Agricultural, Food and Life Sciences with major in Agricultural Education, Communication, and Technology with concentration in Agricultural Education
- Southern Arkansas University (SAU) to complete a Bachelor of Science in Agriculture with Ag-Education major.
- Arkansas Tech University (ATU) to complete a Bachelor of Professional Studies.
