PROGRAM INFORMATION: This program is designed for students to earn the Certificate of Proficiency after semester one, the Technical Certificate after semester two and the Associate of Applied Science after semester four. Some courses have minimum score and/or prerequisite requirements prior to enrollment.

CAREER OPTIONS: The Certificate of Proficiency and the Technical Certificate in Accounting are embedded into the Associate of Applied Science in Accounting. The Certificate of Proficiency provides students with a basic knowledge of Accounting. The Technical Certificate in Accounting provides students with entry level bookkeeping skills. Students completing the certificate will have a working knowledge of the elementary accounting cycle and how to keep a set of books using a computer. Graduates will be ready for immediate employment in automated bookkeeping after one year of study. The Associate of Applied Science in Accounting is designed for students who seek occupational, technical, and vocational skills primarily for employment or advancement.

TRANSFER OPTIONS: Associate of Applied Science degrees are NOT designed for transfer.

- Franklin University to complete a Bachelor of Science.
- Arkansas Tech University (ATU) to complete a Bachelor of Professional Studies.
- If planning to transfer to an institution other than the ones listed above, students may visit <https://acts.adhe.edu/studenttransfer.aspx> to inquire about transferability of courses to any Arkansas college or university.
