	PHED1XX1 Physical Education Activity	1
AS: EDUCATION 4TH – 8TH REQUIREMENTS		25-27

PROGRAM INFORMATION: The Associate of Science in Education K-6th degree is an articulated 2+2 with Henderson State University (HSU). This degree is designed to transfer towards a Bachelor of Science in Education. A 3.0 cumulative GPA is required for graduation. Successful completion of the PRAXIS CORE exam is required to be eligible to transfer as a candidate in an education program at an Arkansas four-year university.

CAREER OPTIONS: The Associate of Science Education 4th-8th degree is designed to transfer and therefore completion of the degree alone does not qualify students to become 4th-8th grade classroom teachers. It may make students more qualified for substitute teaching or paraprofessional positions.

TRANSFER OPTIONS:

- Henderson State University (HSU) to complete the Bachelor of Science in Education.
- Southern Arkansas University (SAU) to complete Bachelor of Science in Education.
- Arkansas Tech University (ATU) to complete a Bachelor of Professional Studies.
- If planning to transfer to an institution other than the ones listed above, students may visit <https://acts.adhe.edu/studenttransfer.aspx> to inquire about transferability of courses to any Arkansas college or university.
