**PROGRAM INFORMATION:** This program offers the first two years of general and content specific courses to transfer to a four-year institution for degree completion.

**CAREER OPTIONS:** The Associate of Science in Natural Resources degree is designed to transfer and therefore completion of the degree alone does not qualify students for any specific career; however, completion of an associate degree will improve overall employability and will make students eligible for employment opportunities that require an associate level degree. This degree is suited for students who plan to pursue careers in Forestry or Wildlife Management.

### TRANSFER OPTIONS:

- University of Arkansas at Monticello (UAM) to complete a Bachelor of Science in Natural Resources.
- Arkansas Tech University (ATU) to complete a Bachelor of Professional Studies.
- UA Fort Smith to complete Bachelor of Science in Organizational Leadership
- If planning to transfer to an institution other than the ones listed above, students may visit <https://acts.adhe.edu/studenttransfer.aspx> to inquire about transferability of courses to any Arkansas college or university.
