PROGRAM INFORMATION: This program is designed for students to earn the Technical Certificate after semester two and the Associate of Science after semester four. Some courses have minimum score and/or prerequisite requirements prior to enrollment.

CAREER OPTIONS: The Certificate of Proficiency and Technical Certificate in Business Management, which is embedded into the Associate of Applied Science in Business Management, provides students with entry level management skills. Students completing the Certificate of Proficiency will have a basic knowledge of general management. Students completing the Technical Certificate will have a working knowledge of management concepts and practices and graduates will be ready for immediate employment after one year of study. The Associate of Applied Science in Business Management is designed for students who seek occupational, technical, and vocational skills primarily for employment or advancement.

TRANSFER OPTIONS: Associate of Applied Science degrees are NOT designed for transfer.

- Franklin University to complete a Bachelor of Science.
- Arkansas Tech University (ATU) to complete a Bachelor of Professional Studies.
- If planning to transfer to an institution other than the ones listed above, students may visit <https://acts.adhe.edu/studenttransfer.aspx> to inquire about transferability of courses to any Arkansas college or university.
