PROGRAM INFORMATION: The Radio Broadcasting program is designed to provide students with specialized training in the application of basic principles, operations, and use of radio peripheral devices and operation systems. Students will also gain on-air experience in a working radio station.

CAREER OPTIONS: This program prepares students for entrance into a broadcasting career.

TRANSFER OPTIONS:

- Arkansas Tech University (ATU) to complete a Bachelor of Professional Studies.
- If planning to transfer to an institution other than the ones listed above, students may visit <https://acts.adhe.edu/studenttransfer.aspx> to inquire about transferability of courses to any Arkansas college or university.
