The results of this survey will be used to make positive changes in the way the college operates and serves students.

Your comments and feedback are encouraged and help us improve. *(copied from survey written by student)*

*Great school to begin higher education.

*Keep Mr. Dufrere as long as possible. He is by far the best teacher I've had. You're never on your own with him.

*Great learning experience!

*This was a great college and the teachers are really nice and everybody is doing their best.

*I loved my experience, wouldn't really change anything.

*Mrs. Ward was a good counselor but is spread too thin between campuses and is hard to meet with.

The ERC hours, especially Ashdown campus, are not conducive to helping me and people in ERC are not always fully qualified to help.

*I had a great experience here. Over the last year and a half I've had nothing but great teachers, a great advisor, and many other helpful people. UAC has prepared me to move on to another university.

*I love Cossatot. The staff is wonderful and helpful. They are encouraging and that is a big deal when you feel like giving up.

The only negative thing I have is regarding PTK. I was told to do it for the fact it would be fun and open so many doors to opportunities.

Graduate Survey Fall 2018

I have been in PTK for two years and have not received any benefits of any kind. I cannot even tell you who the chapter president is. I was never sure if they had meetings or not as I never received any notification. I am transferring now and am left wondering what I paid for. Every time I go in to apply for scholarships, I do not qualify for anything. So I feel it was a waste of money for me. When others ask me about it, I cannot encourage.
