

STRATEGIC PLANNING

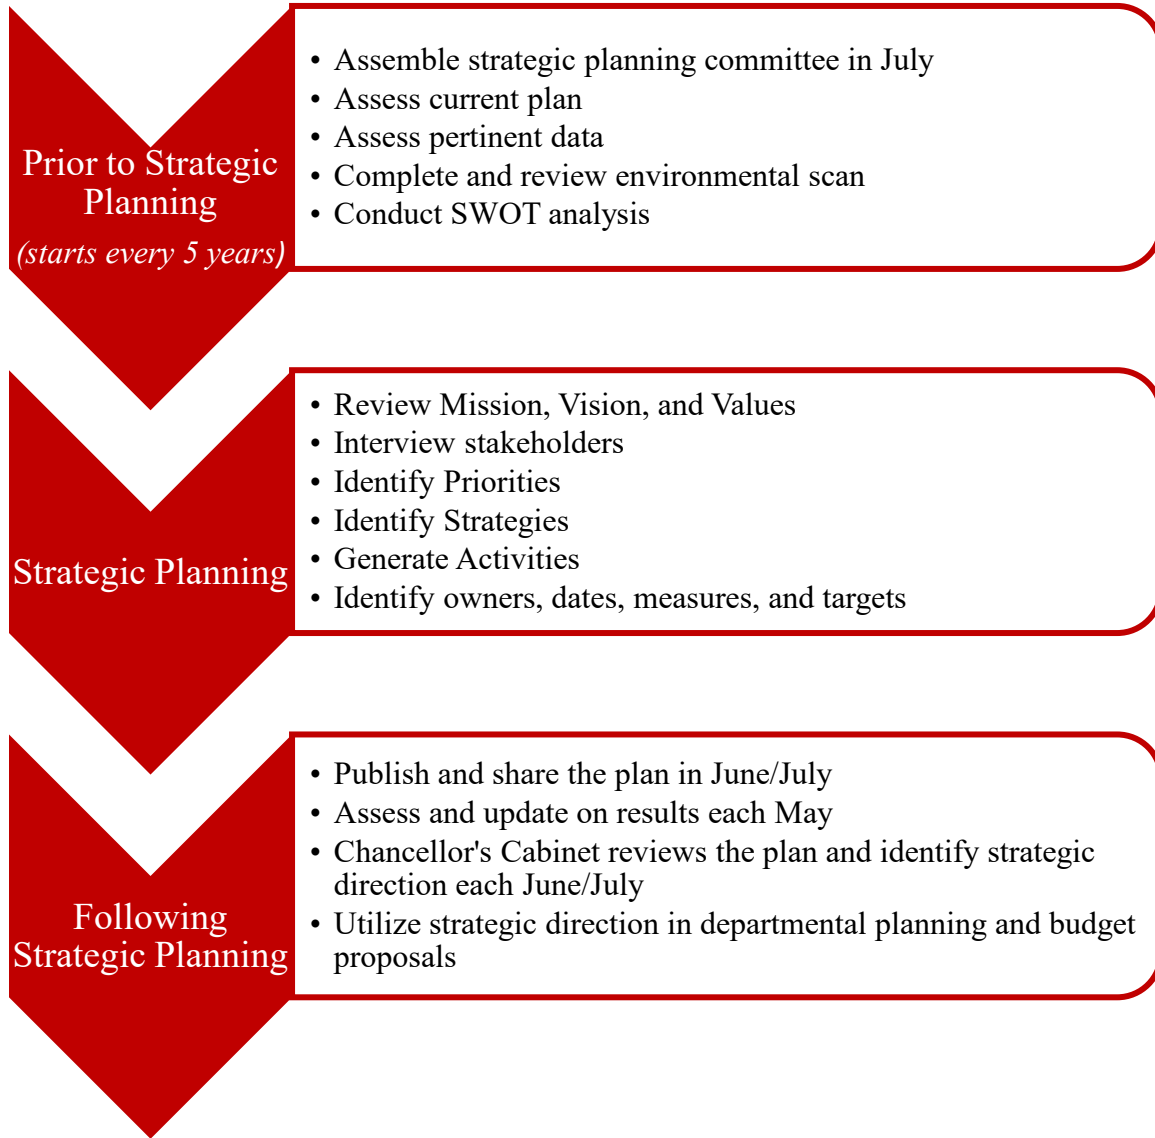

UA Cossatot’s strategic planning process occurs every five academic years. UA Cossatot prepares for this process by creating a strategic planning committee that oversees the conception and completion of the UA Cossatot strategic plan. This committee is created one year prior to the release of the strategic plan and works under the oversight of the Chancellor’s Cabinet and ensures that the strategic planning process and procedures are current and properly serve the needs of the college and stakeholders. The strategic planning committee consists of persons recommended by the Chancellor including representation from administration, at least three faculty members and two current students.
