

**FIRE AND HEALTH HAZARDS**

---

UA Cossatot believes that the workplace/school environment should pose no threat to the employees, students, or visitors to this institution. The college shall adhere to Department of Labor, OSHA, Department of Health, and other regulatory agency guidelines concerning safety and health of individuals.

UA Cossatot shall have established emergency procedures for events such as fire, tornado, toxic leaks, etc.

UA Cossatot attempts to maintain all hazardous material in approved containers in accordance with manufacturer's prescribed directions.

The college's Disaster and Safety Committee commits to present timely safety and emergency preparedness training when appropriate.
