

FACULTY HIRING

UA Cossatot follows guidelines set forth by the Higher Learning Commission and the Arkansas Department of Higher Education when hiring faculty members.

For transferable courses, instructors are required to have a Master's degree or higher, plus 18 Master's level hours in the subject area being taught.

For technical courses, technical degree programs, and nontransferable courses, a combination of relevant industry experience, special certifications, or one degree level higher than the course being taught is required.

Prior to hiring the Vice Chancellor of Academics must approve the faculty member based on qualifications, including a review of transcripts when applicable. A faculty qualification form is completed and retained in the Human Resources Office and Office of Academics.
