

STUDENT FINANCIAL AID

UA Cossatot participates in federal, state, and local financial assistance programs that are deemed to be in the best interests of the College and students. In all cases, the College adheres to the guidelines set forth for those programs. Records of financial aid activities are audited along with the normal College records.

The Financial Aid Office disseminates information on the types of financial aid available and the requirements for each. In addition, the Financial Aid Office prepares a Financial Aid Procedures Manual detailing procedures for administering the financial aid program.

For the purpose of determining financial aid eligibility for Title IV programs, twelve semester hours is considered to be full time.

OFFICIAL ENROLLMENT (CENSUS) DATE AND DISBURSMENT OF TITLE IV FUNDS

Student's financial aid awards are based on the official enrollment (census) date. In order to better serve our students, the following procedures have been set.

1. The (census) date is the eleventh (11th) class day for fall and spring terms and the fifth (5th) class day for the summer term.
2. The Poise enrollment system will be locked, by the Registrar, each semester on the official (census) date. All departments will be notified by e-mail when the Registrar will lock down.
3. The Registrar provides the Financial Aid Office with a copy of the census date report.
4. The Financial Aid Office provides the Business Office with a list for disbursement.
5. The Business Office will order Title IV funds and disburse Title IV refund checks to students within fourteen (14) calendar days from the official census date.
