

Student Handbook/CCUA Catalog: Drug-Free School Policy

In order to maintain a Drug-Free College, information is kept available about the dangers of drug abuse, the availability of counseling, and the penalties for violations. An information center is located in the Kimball Library containing pamphlets that deal with these topics. Additional information is available.

The Drug-Free Schools and Communities Act Amendments of 1989, Public Law 101-226, requires that, as a condition of receiving funds or any other form of financial assistance under any Federal program, an institution must certify that it has adopted and implemented a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees.

Under no circumstances will alcoholic beverages, controlled substances/illicit drugs, or persons under the influence of alcohol or controlled substances/illicit drugs be permitted on school premises. Drug and alcohol abuse counseling is available from the following agency:

Southwest Arkansas Counseling and Mental Health Center
312 West Collin Raye Drive
DeQueen, AR 71832
(870) 584-7115

Compliance with the requirements of this policy is mandatory. Any violations of this regulation will result in the violator's expulsion from school. Law enforcement officials will be called for possible prosecution by appropriate federal, state, or local law enforcement agencies.

Programs dealing with substance abuse prevention will be scheduled periodically and made available to all students.
